Sidney Duffy

Ms. Sidney Duffy, Buyer II
Jefferson Parish Purchasing Department

Bidders must acknowledge all addenda on the bid form. Bidder acknowledges receipt of this addendum on the bid form as indicated. Failure to do so will result in bid rejection.

This addendum is a part of the contract documents and modifies the original bidding documents and specifications. The contents of this addendum shall be included in the contract documents. Changes made by this addendum shall take precedence over the documents of earlier date.

BID #50-00118051 SPECIFICATIONS

Maintenance Dredging Contract Jefferson Parish East Bank Water Treatment Plant Intake Basin

Contractor will furnish all required labor and equipment to perform maintenance dredging of intake basin at Jefferson Parish East Bank Water Treatment Plant on as-needed basis. Contract term will be for two (2) years.

Project site is located approximately 0.68 miles down river from Huey P. Long Bridge, near eastern shoreline of Mississippi River in Jefferson, Louisiana. Additional site location information is provided below.

Section 44, Township 13 South, Range 10 East
Latitude 29 Degrees, 57 Minutes, 12 Seconds
Longitude 90 Degrees, 09 Minutes, 46 Seconds

Reference enclosed Vicinity and Location Maps.

Jefferson Parish Water Department will obtain authorization from U.S. Army Corps of Engineers New Orleans District, Louisiana Department of Natural Resources Coastal Management Division, Louisiana Coastal Protection and Restoration Authority, and East Jefferson Levee District prior to directing contractor to perform dredge work.

Contractor will excavate approximately 16,520 cubic yards (per dredge) of native material (clay, mud, and soil) from approximately 0.6 acres of non-vegetated water bottoms to elevation -10 feet using barge-mounted hydraulic dredge. Contractor will be responsible for any/all damages incurred on Parish Property.

Dredged material will be disposed of in Mississippi River beyond -55 foot contour.

All elevations refer to N.A.V.D. (North American Vertical Datum) 88 Datum.

Reference enclosed Plan View and Hydrological Survey.

NOTE: Continued, unhampered operation of water treatment plant is of paramount importance. Contractor will coordinate all dredging

BID #50-00118051 SPECIFICATIONS

operations with chief superintendent of water plant to ensure operation of facility is not adversely impacted.

Contractor will complete all work within 30 days of receiving formal notice to proceed from Director of Jefferson Parish Water Department. Liquidated damages of \$200 per day will be assessed for each and every calendar day after time specified for completion until work is complete in accordance with contract documents.

Performance bond in amount equaling 50% of contract price will be supplied by contractor at contract signing.

Contractor will possess current Louisiana State Contractor's License in Specialty: **Dredging and/or Heavy Construction**.

A MANDATORY Pre-Bid Conference will be held at 10:00 am on November 4, 2016 in the Jefferson Parish Purchasing Department located at 200 Derbigny Street, Suite 4400, Gretna, LA 70053. All bidders must attend the Mandatory pre-bid conference and will be required to sign in and out as evidence of attendance. In accordance with LSA R.S. 38:2212(I), all prospective bidders shall be present at the beginning of the Mandatory pre-bid conference and shall remain in attendance for the duration of the conference. Any prospective bidder who fails to attend the conference or remain for the duration shall be prohibited from submitting a bid for the project.

Survey is in pdf form, and available upon request.
